

BABY'S VOICE

Is the joy of the household, for without it no happiness can be complete. How sweet the picture of mother and babe! Angels smile at and commend the thoughts and aspirations of the mother bending over the cradle. The ordeal through which the expectant mother must pass, however, is so full of danger and suffering that she looks forward to the hour when she shall feel the exquisite thrill of motherhood with indescribable dread and fear. Every woman should know that the danger, pain and horror of childbirth can be entirely avoided by the use of **Mother's Friend**, a scientific liniment for external use only, which toughens and renders pliable all the parts, and assists nature in its sublime work. By its aid thousands of women have passed this great crisis in perfect safety and without pain.

Sold at \$1.00 per bottle by druggists. Our book of priceless value to all women sent free. Address **BRADFIELD REGULATOR CO., Atlanta, Ga.**

YOUNG OFFICERS FOR BATTLESHIPS

War Game Will be Played by American Fleet

Trip Around the Horn Will Improve Condition of Navy and Harden Men.

THIRTEEN THOUSAND MILES

Washington, D. C., July 12.—When the American battleship fleet starts on its 13,000 mile cruise to the Pacific ocean it will proceed under war conditions. Imaginary enemies will be discovered en route which will have to be repelled; ships will steam in different formations; at night searchlights will be used to pick up other vessels and to signal; and wireless telegraphy will be employed for conveying orders and information. In a word, the fleet will be not only constantly prepared, but will conduct maneuvers designed to increase its effectiveness.

The result of the program mapped out by the authorities will be that a more efficient command will report at San Francisco.

It is evident the cruise will be one of the hardest that has been undertaken by an American command since the battleship Oregon made its record breaking trip from San Francisco to Key West. For this reason the navy department is anxious that only officers be attached to the ships who can stand the work and who are young enough to derive benefit and to use the experience for the advantage of the country.

Young Officers To Command.
The policy of the country now is to place in command of ships, especially those of the battleship type, officers who will be on the active list not only long enough to finish out their tour of duty, which is two years, but later to fly their flag for a similar period in charge of a squadron.

MAYFIELD.

Mayfield, Ky., July 12.—Tuesday night a wagon was driven by thieves to the field of where Deputy Sheriff Oscar Elmore had stacked his crop of oats. They loaded up and proceeded toward the city, driving right along the street in front of Mr. Elmore's house and in sight of the place where the oats had been stolen. They were accommodating enough, however, to throw off about one feeding in front of his home as they passed.

Harvey Boswell, 83 years old, one of the county's oldest citizens, died at his home near Cunningham Sunday of the infirmities incident to old age.

Jonah Gregory, of Pryorsburg, was excused from the grand jury on account of illness and James Puryear was sworn in to take his place. The jury will adjourn Saturday and then the list of indictments will be returned.

Freeman Smith, two-year-old son of Mr. and Mrs. W. E. Smith, formerly of Farmington, but now living at Danville, Ill., died suddenly Tuesday morning. It is the more sad from the fact that both Mr. and Mrs. Smith are confined with sickness and were unable to come with the body of their child. It was received by Mr. Louis Smith, brother of the father. The burial took place at Harmony Baptist church Thursday morning at 11 o'clock.

Mrs. T. O. Kirksey is quite ill at her home on East Broadway.

The picnic party who went out in the vicinity of Dublin had a great time. Those who composed the crowd were: Lloyd Tree and wife, T. L. Stovall and wife, W. T. Lowe and wife, Misses Ellie Robbins, Sarah Young and Beulah Sheets and Messrs. Lloyd Draffen, Melvin Albritton and Nathan Blair.

Work is progressing satisfactorily on the new Christian church. If there is no delay in any way, it will not be long until that magnificent structure will be covered, and work will be going on on the inside.

Misses Blanche and Myra Davis, Mary McDonald and Virginia Bell and Mr. Prince Walker, chaperoned by Mrs. Ed Gardner, composed the party on a sight-seeing trip through the east. They will visit New York, Washington, Philadelphia and the Jamestown exposition before returning home.

The body of Margaret Wheeler, the daughter of A. J. Wheeler who died last winter, was taken up at the city cemetery Thursday morning and placed in a metallic coffin and buried in another section of the cemetery.

W. H. Albritton, J. W. Fristoe and J. S. Taylor will leave Friday for Philadelphia to attend the grand lodge of Elks. They will be gone about two weeks and will visit other prominent eastern cities. Mr. Albritton, who is past exalted ruler of the local lodge of Elks, will represent the Mayfield lodge, he being by his position the legal delegate.

Inspecting County Roads.

Magistrates Bleich, Rawlinson and Broadfoot have inspected about 60 miles of county roads and find that no discrimination against the Eighth magisterial district has been made. Residents of this district alleged that other districts were getting more road improvements in preference to the

Eighth district.

"What have you to offer to offset these charges?" asked the court severely.
